

**IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF ILLINOIS**

Rinne Corp,		
	Plaintiff,	
v.		
The Partnerships, and Unincorporated Associations Identified in Schedule A,		
	Defendants.	

Case No. 1:23-cv-16232

Honorable Judge Jeffrey I. Cummings

DECLARATION OF BAOHUA ZHANG

I, Baohua Zhang, declare as follows:

1. I am an employee of Zero-Miracle Network Limited (**Zero**), which operates the internet store, cheap-easy-go.com (the **Store**), identified in this lawsuit. In this capacity, I have personal knowledge of the Store's operation and sales and have access to Zero's business records.
2. I make this declaration based on my personal knowledge and after reviewing Zero's business records. If called as a witness, I can competently testify to the matters stated herein.
3. Zero is incorporated and has its principal place of business in China. Zero operates the Store exclusively in China. Zero has never owned or utilized an office, hired employees, agents, or representatives, maintained bank accounts, owned assets or properties, or qualified to do business in Illinois or any other part of the United States.
4. Neither the Store nor Zero has targeted Illinois residents with their advertisements, nor directed any marketing efforts or materials at Illinois.
5. Rinne Corp (the **Plaintiff**) alleges the Store has infringed on its copyrights and trademarks. Specifically, Plaintiff's counsel has provided the attached **Exhibit A**, which shows the

allegedly infringing products (collectively, **Alleged Products**).

6. After reviewing the complaint and Exhibit A provided by counsel, I conducted a diligent search of the Store's sales records for the Alleged Products. **Exhibit B** contains complete and accurate sales records, maintained in the ordinary course of Zero's business.

7. Exhibit B shows that the Store has made no sale of the Alleged Products in Illinois.

8. The Store has made only one sale of the Alleged Products in the entire U.S.

9. The Store received an email regarding this lawsuit. However, the email did not contain a link to a website where relevant documents in this matter would be published.

10. There are many similar mousetrap products for sale online. A brief search reveals numerous similar pictures and sales links for such products. Many listings use product descriptions of "flip and slide." *See* Exhibit C.

11. The Store initially listed the Alleged Products for sale in or before February 27, 2022. Before this litigation, the Store was not aware, nor had any reason to be aware, that it could be infringing any copyrights or trademarks. The Store has not attempted to market or pass off its products as those of the Plaintiff or any other party.

12. The Store uses Paypal account, zeromiraclepp@outlook.com, for the Alleged Products, which now has a frozen amount of \$3,512,500.22 due to the asset restraints imposed by this litigation.

13. The Store still plans to continue business operations. However, the existing restraints significantly hinder the Store's liquidity and ability to maintain normal operations.

14. Upon notice of the current litigation, Zero has permanently removed the listings of the Alleged Products. While Zero is moving to challenge the Preliminary Injunction Order (Dkt. 41), Zero assures the court it will not relist the Alleged Products for sale until further ordered by the court.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and accurate.

[The remainder of this page is intentionally left blank.]

Executed on this 27th day of May, 2024. in Nanchang, Jiangxi, China.

PROVEN HIGHER CATCH RATE

In a quantitative test, we set up 5 different traps in a barn infested with Mice. We used the same bait for each and set them up all in a row in order to receive accurate results. The test concluded that the Flip N' Slide had beaten the other "Multi Catch" traps by almost 4X.

HOW IT WORKS?

Turn an ordinary 5-gallon bucket into the best trap on the market. No more dealing with 1-time use traps that are often ineffective and unsanitary. With our new Flip N' Slide bucket lid all you have to do is snap it onto a standard-sized 5-gallon bucket and boom you're catching mice and rats.

- **Inhumane:** Glue Traps take days for a mouse to eventually die of hunger, stress, or dehydration.
- **Unsanitary:** The CDC has warned against the use of these traps due to the threat of the deadly disease "The hantavirus"

- **Unsanitary:** Picking up a dead mouse that has been crushed poses many risks of disease.
- **Unsafe:** There have been hundreds of cases where a family pet or a child has been very badly injured from this style trap.
- **Not efficient :** With any snap trap design you can only catch 1 mouse at a time.

WHAT'S INCLUDED?

- ✓ Flip Slide Bucket Lid
- ✓ Flip Slide Counter Weighted Plank
- ✓ 2 Piece Ramp

FREQUENTLY ASKED QUESTIONS

Does it only work for Rat and Mice?

You can catch any type of small rodent, Given you use the correct bait.

What to do with a bucket full of mice?

If you want the trap to be lethal, simply half fill the bucket with water. If not, do not put anything inside after every catch, go and release them somewhere far away from your house. Let nature do the rest.

Doesn't the bait fall in with the mouse? Would you have to reload every time?
